

Blue Heron Academy Online Course Program Assignment Completion Chart

Use the following chart to mark off the assignments that you have completed. The TOPIC or subject area of the program is listed on the far left, the READING in the ANATOMY COLORING BOOK, is listed next. The headings under the reading column correspond to the section titles in the Table of Contents of the ANATOMY COLORING BOOK. As you complete a topic or subject area and complete the READING, ACTIVITY AND TEST assignments, simply check off those assignments as each one is completed. This way you will be able to track your

TOPIC	READING	ACTIVITY	TEST
	(Anatomy Coloring Book)
